

## **TUMAMA TAUTU**

Greetings and Talofa Lava

My name is Tumama Tautu. I am from the beautiful island of Samoa and I am a mother of 6 children. I have 5 children whom attend Manurewa West Primary School and my eldest is currently attending Manurewa Intermediate School. My eldest here at Manurewa West Primary School is currently a Student Leader.

I am wanting to become a Board of Trustees member to share my years of experience and knowledge. I have been involved with lots of school activities and programme and from this, I have had the opportunity to meet with the teachers and get to know many parents.

If I do become a Board of Trustees member, I believe the community and school will benefit from choosing me. I will do my best to bring the school community families together by helping with students who are in need, in many different ways, physically, spiritually, emotionally and mentally.

I will find a way to build up the student's confidence to be willing to learn and to accept the consequences with some of their choices that they make. By bringing the community together, I will encourage the teachers and parents to create more activities and ideas based on student learnings to better their education and gain more knowledge to become successful in the future.

I hope and pray that I will make a difference within the school community and bring families together to work in unity.

Kind Regards  
Tumama Tautu
