

*“Kia Ora tatou
Nga Whanau O Te Kura O Manurewa ki te Hau a uru.
Tihei Mauri Ora”.*

I am a proud and active Parent Co Opt Board Member, Thankful for this great opportunity given to me in 2017, it has been an awesome journey so far. I feel so very privileged to be a part of my children’s education. I know how important a child’s educational journey is, and as an active board member and caring parent I give my full support and commitment to MWPS.

I have lived in Manurewa for over 10years and love its community and love engaging with the people who live here. I have a very diverse way of thinking as I have enjoyed a very colorful life. I can handle any situation that arises fairly.

I chose Manurewa West for my son, now yr 6, as I had heard nothing but wonderful things and when we came for our first interview I was just blown away, we felt so welcome and we haven’t looked back since. My son has blossomed and his confidence has soared since being here and I know he will continue for intermediate with the skills and knowledge to pursue further success in his education. My youngest son will be attending as a new entrant next year, I feel absolutely confident with his exciting new journey ahead with MWPS.

This amazing school and its community has my complete support. I welcome this privilege with a strong, open and humble heart.
