Growing Great Leaders

At Manurewa West Primary School we provide numerous opportunities for all our students across the school to grow and develop leadership skills. We take this development of key values and skills very seriously. Therefore when students are in Year 6, they are encouraged to apply for and take on leadership roles and responsibilities across the school through a real life process of submitting an application, being shortlisted and then interviewed for the leadership role. We are indeed extremely proud of all Year 6 students who have gone through this process and would like to congratulate our 2019 Student Leaders who no doubt will do us proud!

School Fun Run

Great fun was had by students, staff and families/whanau at our annual School Fun Run on Tuesday 5th March. The weather was stunning and it was great to see the happy smiles, and hear the cheers and support for each other. It is our major fundraising event for the year, we are therefore extremely grateful for the sponsorship monies raised which will go a long way in topping up sports equipment and sports uniforms and to pay for transport for school trips. Well done students for participating and pushing yourselves and not giving up no matter how hard it seemed. Note all sponsorship money and forms must be in by Tuesday 19th March.

We are very appreciative of Nestle for their generous donation of five Milo Packs filled with awesome milo products. The winners were chosen by Nigel and Gayleen of Nestle for displaying the values of resilience, determination, encouragement and empathy. The winners are: Mele Wilson-Toki, Declan Paul, Kortez Walker, Azariah Tukariri, Amos Evans.

Child Safety

You are once again reminded that having children arrive at school before 8am or children picked up well after 3.15pm is not safe. None of us want to see children unsupervised or unsafe in the school grounds before school starts or after school closes at 3pm. Please ensure that you are on time to drop or pick your child/children up or make the necessary arrangements for before school care or after school care through Mary of Wizard Child Out of School Care on 021-02344428 or 214-5427.

Eftpos Facility

We are pleased to inform you that Eftpos facility is now available at school. This certainly will make payments for school donations, purchasing of school hats, school trip payments etc. more convenient and efficient for us all. Please note that this facility is not available for fundraising payments such as sausage sizzles, juicies etc. Thank you.

Whanau/Fono Coffee and Craft Mornings

The purpose of these coffee and craft mornings is to get as many parents/whanau/aiga to come to an informal morning where you could chat and get to know each other and talk about any topic, not just school related whilst at the same time get involved in craft making. Our first of these mornings took place today where parents/whanau/aiga had great fun in crafting. A huge thank you to Milly Blank for organising the morning and sharing her passion and expertise for crafting.

Our next coffee and craft morning will be held on Friday 5th April after our school assembly, approximately 9:30am; details will follow.

“Create the highest, grandest vision possible for your life, because you become what you believe”.

Bikes/scooters at school

We would like to remind all parents/caregivers that the following guidelines must be adhered to:

- ◆ Bike helmets must be worn.
- ◆ All scooters/bikes must be locked. School will not accept responsibility for lost/stolen items.
- ◆ Bikes/scooters must be walked in and out of the school grounds and across the school pedestrian crossing. No scooter/bikes to be ridden in school grounds.

Thank you for your co-operation.
