

Going Further

What are you most interested in finding out about now?

How could you take this further?

How might you go about this investigation?

What new questions do you have?

Is there something you think you could do with this information? How can you achieve that?

What personal learning goals can you set during this independent inquiry? What do you need?

What do you need to do?

I'm confused about...

I still need to know/ do...

Reflection

What can we say about this topic now that we couldn't say in the beginning?

What do you think is the most important thing we have learned about? Why?

What should we share with others? How?

Where to next?

What questions are we left with? Why? What have we learned about ourselves and about learning?

I used to think... but now I think...

Next time I need to...

I have learned more about...

I can use this when...

I have improved at...
