My whakapapa is who I am and provides me with a sense of identity and belonging to the many iwi in which I connect and a sense of connectedness to all the elements that surround us. My whakapapa grounds me, by providing a foundation for my vision towards the future of my children and whanau.

Born and raised in Lake Rotoiti on the outskirts of Rotorua, I have lived in Manurewa for 19 years. My two sons and daughter were previous students of Manurewa West and are now attending at James Cook High School and Manurewa Intermediate.

I have a Bachelor's degree in Human Resource Management & Employment Relations and Management and am currently employed as CE for a Maori Trust specialising in family harm, women's refuge and emergency housing services based in South Auckland where I have been employed for 14 years.

Over the last 11 years I have been very involved in the Manurewa Community and have been a Parent Rep for the Manurewa West Board since October 2017. Previously, I have been Assisting Manager and Manager of my sons Manurewa Marlins Rugby League Team and Assisting Manager for my daughters Manurewa Netball Reps Y7 team. I am also on the committee for the Manurewa Community Houses as a house user at Randwick Park Community House. In addition to Manurewa Marlins Rugby League, my children have/are involved with Manurewa Timberwolves Basketball, Jyoshinmon Karate in Manurewa and New Lynn, Netball Manurewa, Touch Weymouth, Papakura and Pakuranga, Counties Manukau Touch, Counties Maori Rugby League and Te Mahurehure Maori Rugby League.

I believe that education is knowledge and knowledge is power, therefore I am passionate about supporting the children, whanau, school, staff and community at Manurewa West Primary School towards being the best they can be in a positive and nurturing environment and supporting towards providing opportunities to develop and grow.
